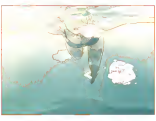
Beloved.

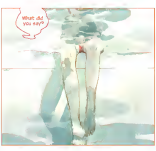
CHAPTER 9

DON'T SPEAK

@Jae-五宝



Let's...



What did you say?

Let's...

Go abroad together.

Go abroad for research?

It would be wonderful if I could change to Pharmacy, that way I can get a scholarship

Or we could go to Germany.

There's no tuition there, it's just the living fee, but none of that even matters!

Why are you weeping like an elf a dudan ?

Because I want

To leave this place

Let's go somewhere where no one knows who we are

A place where we wouldn't need to hide

Where I'd be able to kiss you in front of other people

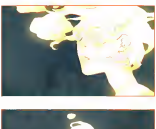
Tell everyone how much I love you.

Why do we need to tell anyone

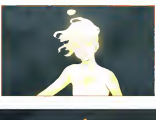
Isn't it good enough that I know?

Shhh

This secrecy between



The two of us



Our secret

Hurry hurry!

We'll be late if we leave any later.
Oh, dear, I'm hurrying.
Your house is so cold, in the heat, not warming?

You shouldn't drive today, since you'll probably have some drinks later...
Hmm... okay...
cough, cough, cough

Hey... you aren't feeling well?
cough
It's nothing, just my sinuses...

It's been a hectic few days at the hospital, I haven't gotten any rest.
I worked another night shift yesterday, so I've only slept three hours...

Don't worry, I'll take some medicine and sleep it off when we come back...

.....

Nevermind.
Let's not go.
Ah? Really? Weren't you looking forward to it...?

I can't help it if you're sick.
It's great that you don't mind.

I'm actually pretty tired and don't want to go out today...
We can change our plans and go to that place you liked with the ski mask.
Wait a sec, I'll definitely...
.....

...You still...
Really want to go?

Mmh....
It's just a friend's gallery opening, it might end up really boring...

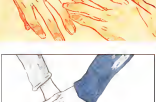
It's different this time!

This is my first time meeting your friends!

It's almost hard enough to meet up on a regular basis.
I'm sorry, I...
I want to do other stuff together, not just eating out and watching movies...

I know. It's okay...
Forget it...

Jason...



Let's go.

Or we'll really be late.

Yeah!

!

!

This one went for you...

Raise again...

You are the most important supporter.
You are the one who believes in all of my creativity..
You are my best friend...
And also my mind lover person.
I hope to share all of my happiness with you.....
Wei Wei!
It's great that you could make it!
Come! I've been wanting to introduce you to a friend...
.....
I heard that you were going to be a visiting scholar in Boston?
There're a great deal of awesome public health eyecatchs, you would be interested..
We're invited two professors from there to come...
...
You must be bored!
Bo? !
It's never-ending chatter with these people once they start..
Let's go!
Let's all hang out at my shop!

Today's my break, so don't hold back!

Isn't this the place where we first...
Yes, yes! So is the owner here...

She can't drink, madam...
Is there juice?

A little beer is no big deal.
Here!

Alright, Doctor Mei.
There's no need to be a goody two shoes at my place...

Qing Yi.
Qing Yi?

What are you doing there?

It's getting late, I should take you back.
No- nothing...

Where's wrong, you aren't feeling well?
No. I'm Fine.

As long as you're fine, let's go!

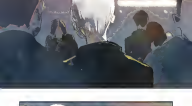
With her masculine personality how can she make a dean bride...

She's been secretly playing house with this damsel girl all these years, thinking about it makes me laugh.

Treat the one today...
Would you refuse a young beauty who's eager to embrace you?

She's just messing around

Wei Wei.....



Wait for me....
!!

Don't be like that...
There are so many people on the road...

Hurry, any longer and your family will worry...
